

Alien Game

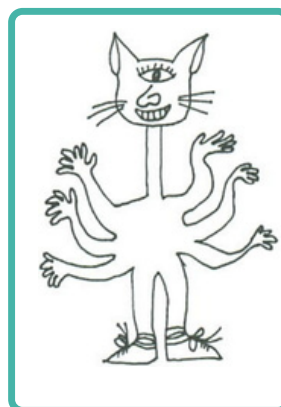

What you need

alien
cards

paper, pencil
coloured pencils

How to play

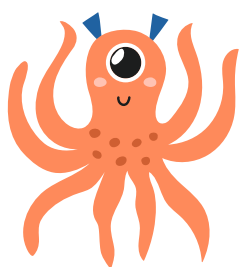

- 1 One person is given an 'alien card'.
- 2 Describe your picture, step by step. You can use gestures and language, for example 'one eye', 'cat head', 'three arms'.
- 3 Everyone tries to draw what is being described

More ideas

Play in teams and each team member gets a go at adding to the picture.

Make your own alien cards using colours to teach colour words.

You can use pictures that match the topic you're teaching. Example *animals* or *body parts*.
